

Hello Owl Class! I hope you are all enjoying the sunshine and are keeping busy, we have been! Over the past few days we have made cakes, painted and had a picnic in the garden. I've also been trying to do some counting and letters with my boys but they're not as good at sitting and listening as you all are!

Below is a few activities for you to have a go at over the next week, just to keep on top of our learning and to

help keep you busy. Don't worry about trying to complete them all or about printing things off. As a reminder of some of our learning, I've put some links to the Twinkl website. Here is a link and the offer code <https://www.twinkl.co.uk/offer> Please use offer code: UKTWINKLHELPS.

Maths

Have a go at some addition. Start with adding 2 digits and 2 digits then try moving onto 3 digits. Think carefully about what we do when the number goes over the tens barrier.

<https://www.twinkl.co.uk/resource/cfe-n-293-2-digit-addition-on-squared-paper-activity-sheet>

English

Write a diary each day about what you have done and what you are thinking and feeling. If you're feeling creative, why not add some pictures or photos?

Spelling

Choose five words from the statutory list to practice. Remember the methods we learnt to help you, such as pyramid, drawing around the word and colouring in the syllables. Remember to keep that handwriting neat! Find the list here: <https://www.twinkl.co.uk/resource/t2-e-2064-new-curriculum-spelling-list-years-3-and-4-word-mat>

Art

Take part in the drawing challenge. Each day there is a challenge to draw a different thing.

Take care and keep safe,

Mrs Savage xx
