

Hello **Owl Class!** I hope you are all happy and healthy! I've been thinking about you all and how lovely it will be to see you again. This week has been mostly outside activities for the Savage Family and some indoor learning. The boys have been finding it a bit tricky to sleep recently too so we've been trying meditation before bed which has worked a treat!

Keep sending your photos to the school email as I really loved seeing them, it made me very happy. Stay safe!

Mrs Savage x

As with every week, I have put some activities below for you. However, this week is a little different as there is an extra activity for you to do using Purple Mash (very exciting!). Again please don't worry if you can't print things off, use whichever format works best for you and what you have available - I am proud of you for all that you have done so far and all that you continue to do.

As a reminder of some of our learning, I've put some links to the Twinkl website. Here is a link and the offer code <https://www.twinkl.co.uk/offer> Please use offer code: UKTWINKLHELPS.

### Maths

Multiplication. Use the column method to multiply a 2 digit number by a 1 digit number.

<https://www.twinkl.co.uk/resource/t2-m-1708-year-3-differentiated-expanded-multiplication-activity-sheets>

### English

Design and write a postcard to a friend or family member. Remember to tell them how you're doing and what you have been up to and to draw a lovely picture on the front!

### Spelling

Can you find and learn all the words from your spelling list that contain "ee" sound? Remember it might not always be spelt "ee".

### Purple Mash

First of all have a practise logging in and explore then have a look at the activity I have set. The activity will be in your To Do's and it asks you to create a net for a model. There are lots to choose from!
