

### Rabbits- Home Learning W/C 18/05/20

Dear Rabbits,

I hope you have all had a good week. I have really enjoyed this last week as I have been talking to lots of you and your families. It is really good to hear that you are all safe and well and to hear about all of the exciting things that you have been doing at home. Some of you have been growing your own vegetables and plants, whilst others of you have been baking and making lots of creative things too. I know that lots of you have been working on Purple Mash and doing activities on the homework menu as well as working and playing in the garden, which is good to hear. You have inspired Mr Trickey to want to grow his own vegetables in the garden too.

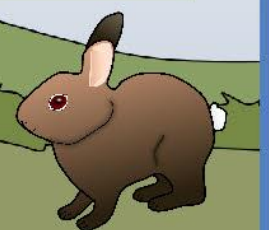

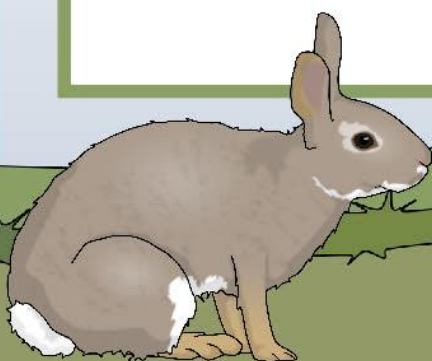

Also (as we are all learning new skills at home) my new skill this week has been to become the family hairdresser. We bought some clippers from Tesco a few weeks ago and I have shaved the back of Mark, Luke and Harry's hair and then blended it in with scissors. All went well until the battery died half way through Luke's haircut. Luckily we are all at home and didn't see anyone while we waited for the battery to recharge! Phew! After talking to you this week, I know that lots of you are missing your friends, so although I know you can't see each other, I thought at least you can share your pictures of you and your families on the picture board on Purple Mash. Please write messages through Purple Mash and I will write back to you, I love to hear from you all.

Keep fit and healthy doing your daily exercises and keep helping your grown-ups around the house too. My 3 have been taking it in turns to cook- all good life skills. Harry made a delicious chicken stir fry this week, Luke cooked on the BBQ, with the weather being so nice and Millie loves making pies and lots of puddings and cakes. This week it was banana bread! It was yummy! However, Millie's cooking does not last long in our house, sometimes it is even eaten before it has cooled.

Take care Rabbits and stay safe. I hope to see you very soon.

Love from Mrs Trickey. X

## Phonics/ Reading/ Writing

Can you write out a recipe for your favourite cake/ or biscuit

You need to write down a list of ingredients.

- Write what you need to do to make it.
- How long do you need to cook it for?
- Best bit- write what it tastes like? Use lots of descriptive words.

Phonics Lessons available daily

Letters and sounds for home and schools

Nursery children look at Phase 1 and 2

Reception Children look at Phase 2/3 and

Reading Keep practising your reading. You can read on line or read some of your favourite stories. Keep practising those tricky words so you don't forget them. Remember only to blend the unknown words.

[www.cbeebiesbedtimestories](http://www.cbeebiesbedtimestories)

Can you make your own collage in the garden?

Use, leaves, grass, petals, twigs to make your own picture. You can make your own pretend birds nest with all of the mowed grass.

Or can you go on a sound walk around your house?

Can you hear the birds more now there is less traffic?

Remember Purple Mash too.

I've put on 3 new activities this week.

1. IT Coding- Help the knight guard the castle.
2. Bubble number bonds
3. Be creative and make your own robot, you can write all about it too.

Most of all please just have fun, stay safe and do what you can. You can send me messages on purple mash and I can write back. I really look forward to hearing from you.

## Maths

Can you make your own Birds cake shop?

Can you draw and make your own pretend cakes, biscuits and bread?

How much do they cost?

Can your family come and buy things from your shop?

Remember to give change.

Remember to use lots of good maths language.

How much does that cost?

Does that cost more or less?

How much does it cost altogether?

How much change do you need?

Can you count using 1 pence, 2 pence, 5 pence and 10 pence coins.

Can you count in 2's, 5's and 10's?

Can you follow your recipe and weigh out your ingredients?

Look carefully at the scales.

Follow your recipe and make your favourite cake or biscuits. Then just enjoy!

Can you learn another new skill this week?

How are you doing with your new skills? I'm not going to suggest cutting your families hair like me. But you can comb your own hair and get yourself washed, dressed and ready. Clean those teeth carefully.

Independence skills

I hope you are helping your grown-ups keep your home tidy. It's lots of work with you all being at home. Can you set the table for lunch and dinner?

Can you help tidy up the garden or match the socks?- I know this would help me in our house as we only ever seem to have odd socks in the Trickey household!
