

Rabbits Home Learning 6th July

To all of the Rabbits,

I hope that you are all well and have been having lots of fun and keeping busy.

We all really enjoyed being Pirates in school last week and I hope that you enjoyed the Night Pirates at home too.

We have also been doing our Rainbow games and having lots of fun exercising and developing our physical skills. We'll all be ready for the Olympics next year.

This week's activities are based around a book many of you may be familiar with, called;

'The Tiger Who Came to Tea.'

Attached on the following pages are the suggested activities. Each week the activities refer to your home learning pack but many of the activities can be adapted.

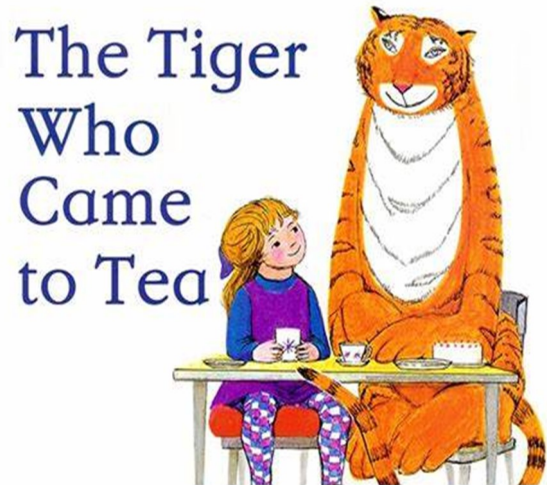

Please just have lots of fun with your home learning!

Remember to log on to Purple Mash for additional activities to do.

If you would like to get in touch with any one at school please email in to info@hackwood.theharmonytrust.org.

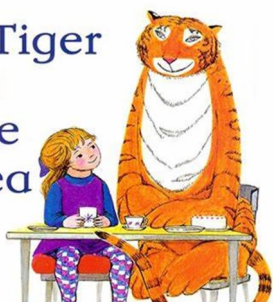

Take care and stay safe,

From Mrs Trickey
