

Hackwood Primary Academy
Foxes class year 4 – Lockdown Learning
Week 25.1.21

Learning Objective and Activities

	English	Maths	Topic
Monday Maths Sheet 10 Equivalent lengths m and cm	<p>Writing for a narrative, today I would like you to watch the video provided and identify the main characters and to set a visual narrative.</p> <p>https://classroom.thenational.academy/lessons/to-identify-the-main-characters-and-the-setting-in-a-visual-narrative-c8w68t?activity=video&step=1</p> <p>Task – can you draw the setting shown at the end of the video and create some interesting and exciting ways to describe it? Example, there were faded old tatty curtains.</p> <p>I'm looking forward to seeing your diagrams and how well you have described it.</p>	<p>Your Maths work for the week, your sheet can be found on Purple Mash. All Maths sheets are also on the website.</p> <p>https://whiterosemaths.com/homelearning/year-4/week-8-measurement-length-perimeter/</p>	<p>Lesson One</p> <p>In this lesson we will learn about one of the most famous Romans in history - Julius Caesar. We will explore his personal accomplishments, his war with Gaul and how he became the dictator of the Roman Empire. Watch the video and make a note of anything you found new and interesting. Create notes, we may need them later.</p> <p>https://classroom.thenational.academy/lessons/who-was-julius-caesar-cgw3ce</p>
Tuesday Maths Sheet 11 Equivalent lengths mm and cm	<p>Using the vocabulary list on your 2Do's, improve the sentences on your activity sheet.</p> <p>For example, 'The hill was tall and there was a house at the top of it.'</p> <p>The hill was enormous and perched directly on the top was a tiny house.'</p> <p>Remember to use your vocabulary list to improve your writing. This will help your ideas flow when you come to write your own setting description.</p>		<p>Lesson Two</p> <p>Julius Caesar was a very famous man and because of this he had many pieces of artwork made of him. One of the most famous was a bust of his head. Watch the video below to see what this looks like.</p> <p>https://www.youtube.com/watch?v=cdwBx7GDsjo</p> <p>Task – Draw a bust of Julius Caesar. I would like it on an A4 piece of paper and on a plinth or a stand as shown in the video. If you would like to use the template on your 2Do's you may.</p>

Wednesday Maths Sheet 12 Kilometres	<p>Today we will be looking at planning our setting description. For this lesson you will need a piece of paper, a pencil and the template from Purple Mash.</p> <p>On the template, begin to fill in the table. How big is your setting? Is it a town? A village? Where is its location? Who lives there? Once you have finished, use these ideas to draw a picture of your setting. The more detail you add to your drawing; the more ideas you will have when you come to writing your description.</p>		<p>Your tasks are on Purple Mash</p> <p>You also have Joe Wicks to complete</p> <p>https://www.youtube.com/watch?v=hozv0a23eKk</p>
Thursday Maths Sheet 13 Add lengths	<p>In today's learning I would like you to look at the picture you drew yesterday. From this image focus on three different aspects. Describe these three different aspects of your picture. Try and make your writing as exciting as you can.</p> <p>Instead of 'the old windows' try 'the worn crooked windows hanging of the edge of the wall, each containing two panes of glass.'</p> <p>Try to make your writing as descriptive as possible to transport your reader to your setting.</p>		<p>Lesson Three</p> <p>Using your drawing from yesterday use the bust of Julius Caesar as a mind map. Research the most interesting facts and place these around his head.</p> <p>When you research Julius Caesar, make sure you find interesting facts that you find fascinating.</p> <p>The more interesting the fact the more interesting the work.</p>
Friday Maths Sheet 14 Subtract lengths	<p>Write your setting description</p> <p>Use all of the work you have worked on this week and remind yourself of your ideas.</p> <p>Using the template on your Purple Mash 2Do's, create a paragraph describing your own setting. Remember to use your vocabulary sheet and your drawing to help you think more clearly about your setting.</p> <p>I look forward to reading these.</p>		<p>Lesson Four</p> <p>Art project, remember this is something that you can carry on throughout the week and does not have to be handed in on this day.</p> <p>What I would like you to do is look at the image son Purple Mash of Mosaics. Read the information about mosaics and create your own pattern or image using the squared paper. This will be on your 2Do's ready.</p> <p>View the video for more instructions on how to complete this piece of art where a demonstration will be available.</p>
