## Keeping safe:

This is CLEVER'S  
**GO-SPOTTER**

**WHEREVER CLEVER GOES  
CLEVER ALWAYS KNOWS  
CLEVER NEVER GOES**

### Year 1

In Year 1, the children will learn about how to keep themselves safe in school and at home. They will learn about a range of different safety measures including medicine safety, sun safety, road safety, e –safety and personal and emotional safety. They will also learn about keeping themselves safe from strangers using the Clever Never Goes strategy.

### Year 2

In Year 2, the children will learn about personal privacy through the NSPCC Pantosaurus programme. **They will learn about keeping privates private and that their body belongs to them.** They will also know the difference between surprises and secrets.

You can find out more about the Talk Pants and underwear rule at the NSPCC website: <https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/pants-underwear-rule/>

### Year 6

In Year 6, the children will explore appropriate touch. They will learn about what is good and uncomfortable touches, what is a safe and unsafe touch. They will learn how to report any concerns through a variety of support lines, like NSPCC, Childline and CEOP. They will further discuss when it is acceptable to keep a secret and when it is not. They will also explore digital boundaries too.

You can find out more help, support and advice on your academy website under the safeguarding tab.

## Year 3

In Year 3, the children learn that it is the responsibility of bystanders to tell an adult and where to get help if they are being bullied. They will gain awareness that people can be bullied online (cyberbullying) which can affect their mental health. They will learn about how to keep safe online by learning about their own digital footprint as well as being aware of the risk associated with crossing a road, railway or tramway.

## Year 5

In Year 5, the children will learn different coping strategies in different situations through the Apple module. They will learn how to cope with loneliness and rejection whilst learning what to do if a friendship is making them unhappy and/or uncomfortable.

## Managing Money:

### Year 4

In Year 4, the children will further consolidate their understanding of where money comes from and how it can make them feel. They will consider how money can help them and others as well as taking the opportunity to reflect on their own spending habits and choices.

## Changing and Growing Bodies:

### Year 2

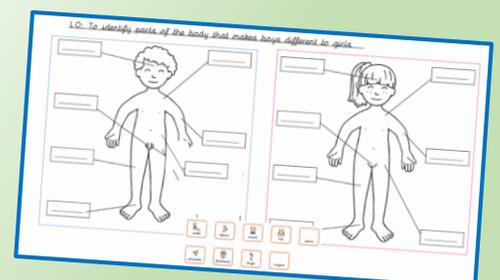

In Year 2, the children will learn about how they can tell if someone is male or female and will learn that male and female have some body parts the same, but others are different. They will label body parts and will be introduced to some scientific terms: genitals, penis and vagina. This is in line with the science national curriculum where they will be equipped with the appropriate vocabulary to report abuse and to safeguard themselves.

### Top tip:

Encourage your child to use the ask-it baskets in class to write down any questions they want answering or to report any worries or concerns.

You will be sent an e-mail from your academy a week before the lesson will take place so you can be prepared for any discussion points before and after the lesson takes place. Please speak to your academy Principal if you have any questions.
