

Hello Owl Class! I hope you are all well and still keeping busy! I'm really missing you all so hopefully this won't be for too long! This week we have been playing outside A LOT as the weather has been so lovely. We also did an Easter egg hunt and made some chocolate nests. I can't wait to hear all the things you've been up to! Stay safe.

Below is a few activities for you to have a go at over the next week, just to keep on top of our learning and to help keep you busy. As I said before, don't worry about trying to complete them all or about printing things off. As a reminder of some of our learning, I've put some links to the Twinkl website. Here is a link and the offer code

<https://www.twinkl.co.uk/offer>

Please use offer code:

UKTWINKLHELPS.

Maths

Subtraction using the column method. Remember to borrow if there aren't enough ones!

Start off with 2 digit numbers and work up to 3 digit.

<https://www.twinkl.co.uk/resource/year-2-subtracting-2-digit-numbers-from-2-digit-numbers-in-a-column-with-exchanging-worksheet-t-n-7500>

English

Describe what you can see out of your window. Remember to use adjectives (describing words), expanded noun phrases (adjective, adjective, noun) and as a challenge see if you can use a simile (as_____as_____ e.g. as white as snow) or two!

Spelling

Revise the words you learnt last week and see if you can add five more to your list. Can you spell all 10 correctly?

Design and Technology

Could you have a go at cooking something? It could be something new or one of yours or your family's favourite thing to eat. Remember to take photos so I can see too! I found a really nice recipe that I'm thinking of having a go at with my boys. Here's a link:
