

Hello Owl Class! I am happy to see you are still having a go with Purple Mash, well done! We have really been enjoying the nice weather this week. Rowan and Sebastian have had a new project to do, which is turning an old shed into a play house. Rowan has been a bit more hands on than Seb though! This week I will be setting a bit more on Purple Mash so keep checking your To Dos and remember to put a comment with how you found it, just in case you need something a bit trickier!

Stay safe and keep busy!

Your activities this week are listed below. I have included Purple Mash activities and offline activities. Remember work at your own pace, there is no deadline, and if you want to continue working on something from a previous homework menu then that is absolutely fine!

As a reminder of some of our learning, I've put some links to the Twinkl website. Here is a link and the offer code <https://www.twinkl.co.uk/offer> Please use offer code: UKTWINKLHELPS.

### Maths

Maths - Finding fractions. Can you find fractions of amounts? Remember divide by the denominator (the bottom number) and multiply by the numerator (the top number).

<https://www.twinkl.co.uk/resource/t-n-2544683-finding-simple-fractions-of-numbers-activity-sheet>

### English

English - write a recipe for your favourite thing to eat. Remember to include all of the ingredients and equipment as well as the steps. Could you draw pictures to go with each step?

### Spelling

Spelling - find 5 words with the prefix "super" and 5 words with the prefix "auto". What do they mean? Write a definition for each and a picture to go with it.

### Design Technology

Have a look at the link below and see if you can make some origami animals! Origami is the art of paper folding and can be used to make 3D creations - some can even move!

### Purple Mash

For this week I have set three To Dos in Purple Mash. There is a Maths activity using place value, a game sorting words into classifications/types and a cave painting art activity.

Please let me know in the comments box how you found each activity so that I can set your work at a level that is right for you.
