A message from Mr Miah

Dear Hackwood Parents, Carers and the Community,

I would like to take this opportunity to introduce myself. I am incredibly proud and privileged to take up the role of Principal of our school.

Over the coming weeks and months my vision is to create an excellent beacon school for our community. I have gained invaluable experience over the last 15 years. Several of those years have seen me leading another school and with your support we will strengthen our school, where all of our children can believe, achieve and succeed.

I have arranged a couple of drop in sessions on:

Friday 17th June @ 9.15am and Monday 20th June at 3.20pm

where I hope I can meet many of you to talk about our vision for Hackwood Primary Academy and develop a partnership to create the conditions for all of our pupils to succeed.

I am incredibly passionate about education and excited about the journey ahead. I look forward to meeting and speaking to you all.

Thank you
Mr Miah
